A man died of liver complaint! One dollar's worth of "BLACK-DRAUGHT" would have saved his life.

For sale by W. H. TANDY.

I desire to call the attention of the citizens of Clarksville and mirroranding country to the fact that I am prepared to apply a strictly fire-proof paint to all roofs, frume-buildings and other wood-work exposed to fire. The paint is free from all coal-tar and acid, and will preserve wood or iron, and not destroy it. I can apply this paint as cheap or cheaper than any other paint now in the market, and will warrant it to do all I claim for it. All Jask is a fair trial, and I know satisfaction is certain. There is nothing in in the paint to affect cisterns in any way.
